Appreciation

In the interest of fairness, a call for all to participate was sent out for this project. With the help of interpreters, stakeholders and elders from Nutashkuan participated in the creation of this tool. The FNQLHSSC and the NRBHSS warmly thanks them.

My wellness, it's up to me and my community is actively involved!

Transformations from a traditional lifestyle to today's lifestyle

Background

Throughout the years, Inuit elders in Quebec have witnessed major transformations to their way of life. These transformations demonstrate the resilience of elders and the importance of treating them with respect.

The FNQLHSSC chose to represent the various forms of elder abuse and lack of respect around the theme of animals in order to remain neutral in this sensitive and difficult issue. The NRBHSS adapted the theme to animals living in Nunavik.

Psychological mistreatment/lack of respect

Gestures, words or attitudes that negatively affect an individual's psychological well-being or integrity.

Violence

- Emotional blackmail
- Manipulation
- Humiliation
- Insults
- Infantilization
- Belittlement
- Verbal and non-verbal threats
- Disempowerment
- Excessive monitoring of activities
- Etc.

Neglect

- Rejection
- Indifference
- Social isolation
- Etc.

Signs

- Fear
- Anxiety
- Depression
- Withdrawal
- Hesitation to speak openly
- Mistrust
- Fearful interaction with one or several people
- Suicidal ideation
- Rapid decline of cognitive abilities
- Suicide attempts
- Etc.

Examples

- 1 A relative intimidates an elder, tries to control them using physical aggression.
- 2 The elder is isolated, alienated and stranded in their home.
- 3 The elder receives verbal threats, insults or is the victim of emotional blackmail.

Material or financial

mistreatment/lack of respect

Fraudulent, illegal, unauthorized or dishonest acquisition or use of the older person's property or legal documents; lack of information or misinformation regarding financial or legal matters.

Violence

- Pressure to change a will
- Banking transactions without the person's consent (use of a debit card, online banking, etc.)
- Misappropriation of money or assets
- Excessive price charged for services provided
- Identity theft
- Etc.

Neglect

- Failure to manage the person's assets in their best interest or to provide the necessary goods and/or services as required
- Failure to assess the person's cognitive abilities, understanding and financial literacy
- Etc.

Signs

- Unusual banking transactions
- Disappearance of valuable items
- Lack of money for regular expenses
- Limited access to information regarding the management of the person's assets
- Etc.

Examples

- 1 Pressure to make, amend or change a will.
- 2 Ask an exorbitant price for services.
- 3 An elder is robbed of cash or improper use of a debit/credit card.

Physical

mistreatment/lack of respect

Inappropriate gestures or actions, or absence of appropriate actions, which harm physical well-being or integrity.

Violence

- Shoving
- Bullying
- Hitting
- Burning
- Force-feeding, Inadequate medication administration
- Inappropriate use of restraints (physical or pharmacological)
- Etc.

Neglect

- Failure to provide a reasonable level of comfort and safety
- Failure to provide assistance with eating, grooming, hygiene or taking medication when the older person is in a situation of dependency
- Etc.
